Annual Stock Reducing Sale!

IN assembling the merchandise for this annual event we kept in mind our irrevocable policy, which calls for the Best Goods and a complete eclipse of values and sales' record of the year previous. We have succeeded in gathering the choicest merchandise you ever saw, all of which has been priced unprecedentedly low. This annual occasion in particular has grown to such gigantic proportions that in securing merchandise to meet the demand we were able to get great price concessions on account of the tremendous volumes bought. Everything is the choicest, just what is most wanted and at prices you will not be able to resist, a representation of which we here quote:

Don't get the impression that because the prices are low the quality is poor—far from it. They are of the Best quality and would regularly command far more than we are asking for them.
